Land Use Breakdown 2030

INVESTMENT DRIVERS

1 Financial Incentives

Waived land rent

Personal income Tax 50% Reduction

Corporate Income Tax 10%; rather than 22%

0% tax on fixed assets

2 Improving Infrastructure

Many key infrastructure projects such as the Phu Quoc International Airport, An Thoi International Seaport and south-north axis have been completed and upgraded. Underground electric cable Ha Tien - Phu Quoc was completed in 2014.

Large-scale projects are in the first stages of construction, including the International Seaport in Duong Dong, cable car line between An Thoi and Hon Thom Island and the Deep Water Seaport.

3 Rich Natural Resources

The largest island in Vietnam with numerous stunning beaches and an unspoiled ecosystem.

4 Tourism Growth

Strong support from Phu Quoc International Airport since 2012 and a 30 day visa exemption for foreigners.

In the last three years, tourism turnover has increased by 38% pa whilst the visitor volume increased 61% pa.

5 Strategic Location

1-2 hour flight from key tourism markets in South East Asia.

6 Housing Law Amendment

The revised law on housing passed in Nov 2014 creates more favourable conditions for overseas Vietnamese and foreigners to possess real estate in Vietnam.

HOTEL
